VECoS 2024 - 16-18 October 2024, Djerba, Tunisia

http://vecos-world.org/2024/

*** D E A D L I N E   E X T E N D E D   (F I R M D A T E) ***

At the request of several colleagues, we have decided to extend the deadline by a few days to allow certain authors to finalize their papers.

The 17th International Conference on Verification and Evaluation of Computer and Communication Systems will taking place on 16-18 October 2024 at Djerba, Tunisia

****

-- IMPORTANT DATES --

All the deadlines are AoE (Anywhere on Earth)

* Submission deadline :   ~~24th June 2024~~ **05th July 2024**
* Acceptance notification: 12th August 2024
* Camera-ready deadline: **26th August 2024**
* Conference: 16-18 October 2024

-- ABOUT VECoS --

The VECoS conference series focuses on the analysis of computer and communication systems, where functional and extra-functional properties are inter-related. VECoS encourages the cross-fertilization between the various formal verification and evaluation approaches, methods and techniques, especially those developed for concurrent and distributed hardware/software systems. VECoS is referenced by https://conferences-computer.science/ and ranked in category C by CORE

Topics and more details can be found at http://vecos-world.org/2024/

-- GENERAL INFORMATION ON SUBMISSIONS --

Submitted papers must be no longer than 15 pages (including bibliography), written in English, presenting original work and not be submitted for publication elsewhere. Papers must be submitted electronically in PDF format through EasyChair

(https://easychair.org/conferences/?conf=vecos2024), using the LNCS format (version 2.20 or above). Accepted papers will appear in the conference proceedings. At least one author of each accepted paper must attend the conference and present the paper.

The conference proceedings will be published in the Springer-Verlag Lecture Notes in Computer Science (LNCS) series.

Authors of selected papers will be invited to submit extended versions for a special issue of selected papers from the Conference will be considered for publication in extended and revised form in a special issue of an indexed international journal ([ISSE](#):Innovations in Systems and Software Engineering, [IJCCBS](#): International Journal of Critical Computer-Based Systems or [Arima](#) journal).

-- ORGANIZATION --

Program Co-Chairs

* [Mohamed Ghazel](#), Gustave Eiffel University, France

* [Bruno Monsuez](#), ENSTA paris, France

Publicity Chair
* [Belgacem Ben Hedia](#), CEA LIST, Saclay, France
